Regulatory Frameworks and Support for Accreditation

My Documents is under Premium Subscription with some features available for Advance Subscription which supports regulation and accreditation and ultimately self-assurance activities for both **vocational and higher education** institutions. We support you with **customised evidence tables/maps** that are aligned to document folders.

Document sets support a self assurance process

01

Document sets support a self assurance process which is backed up with rigorous evidence tables mapped to regulatory frameworks.

02

Document sets can be regulatory frameworks, professional accreditation frameworks or institutional frameworks/registers. Institutions can use the PRP document sets to create their own. We update our document sets when changes are made and we will inform you.

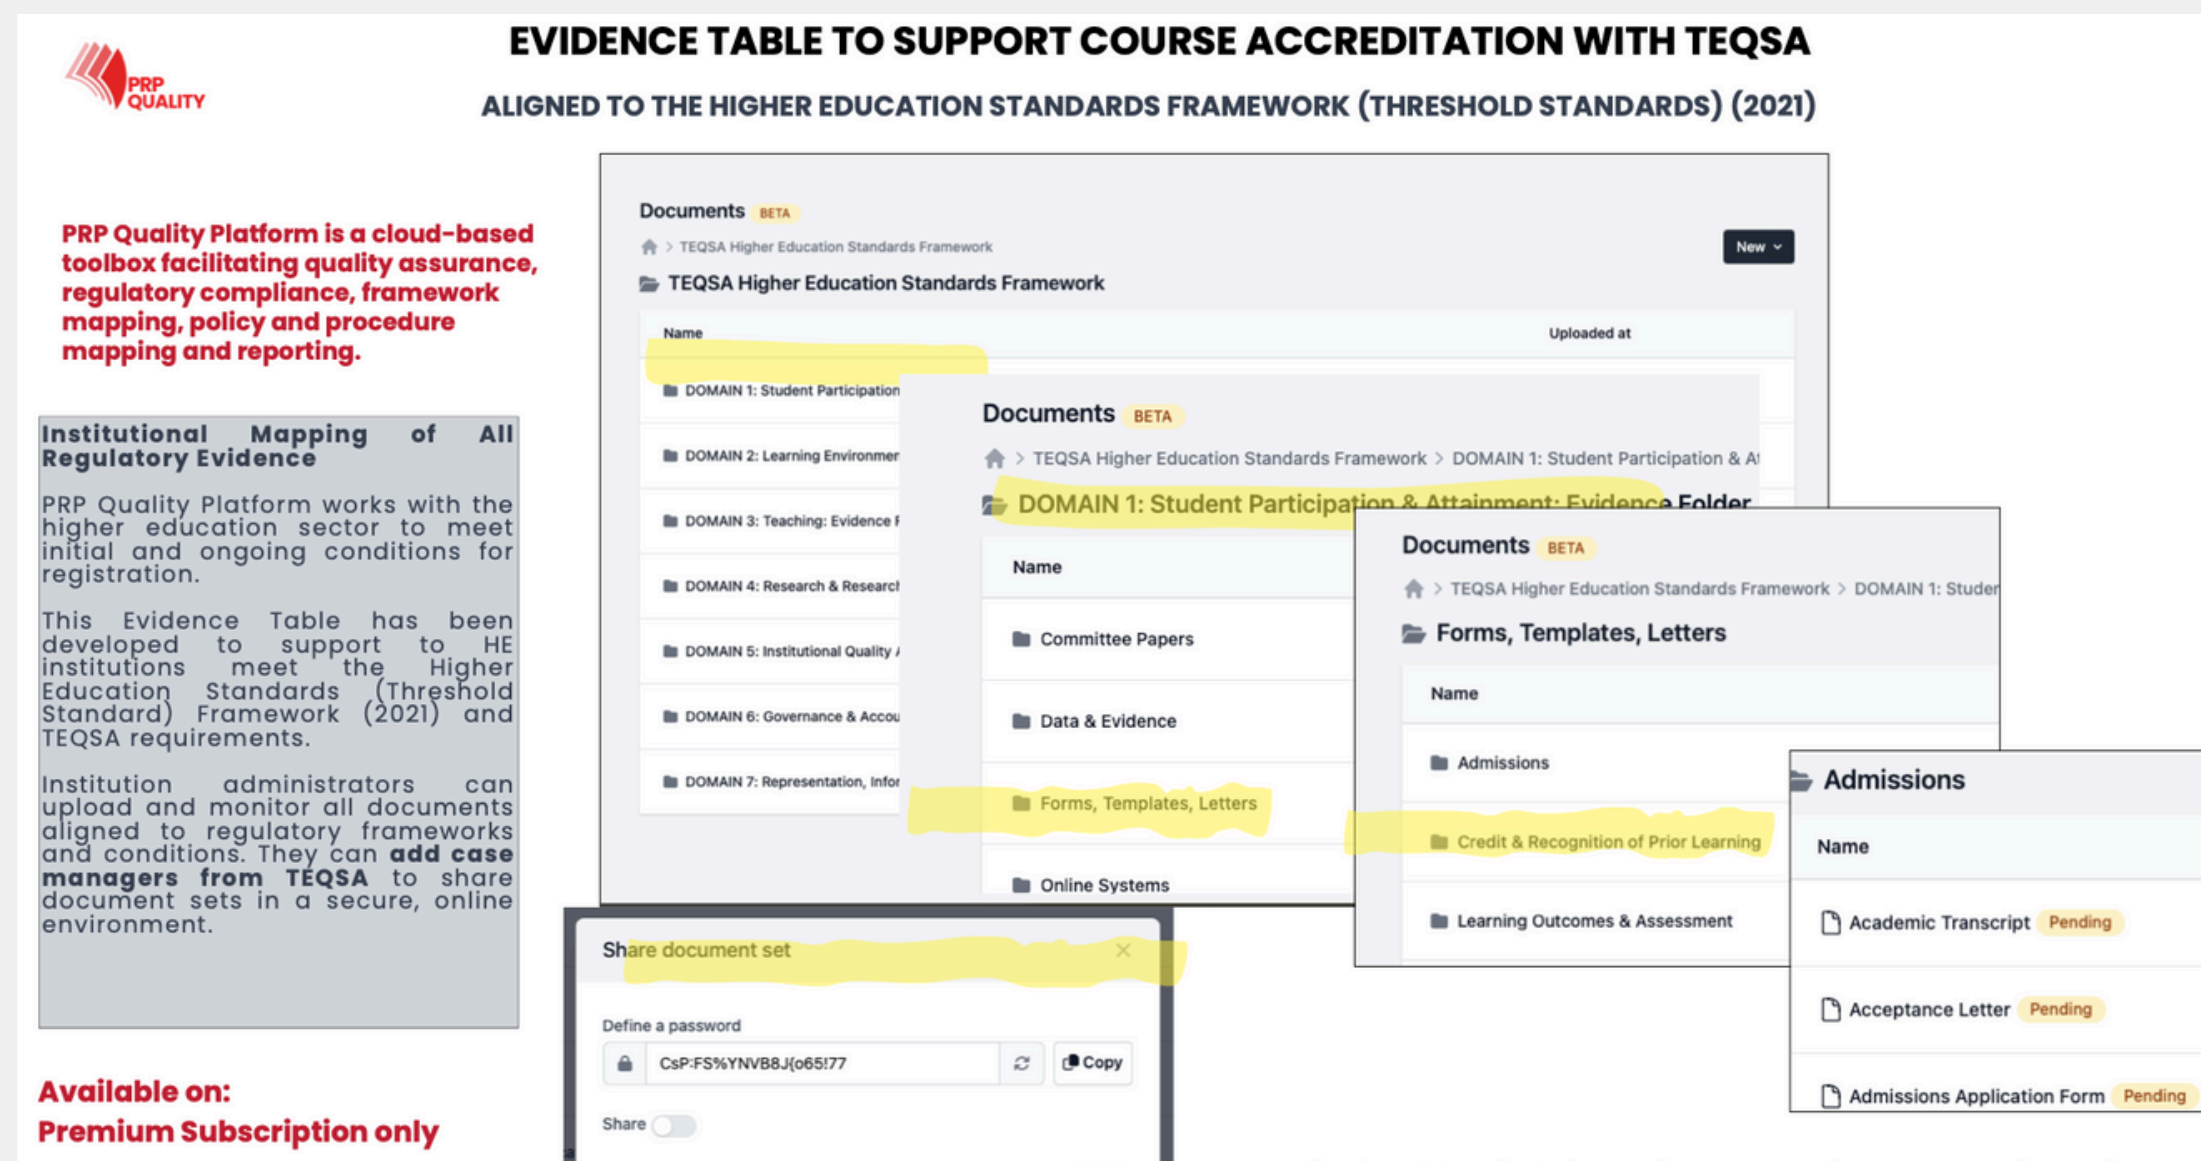

03

Evidence Folders

Each document set has a set of evidence folders which are aligned to the corresponding regulatory framework or institutional register. Examples of evidence are provided to support institutions with collecting evidence. Evidence Folders have also current regulatory guidance notes to support institutions and their quality teams.

Evidence Maps and Tables

We have developed evidence maps and tables to support you and your quality teams in locating and mapping evidence against each of the required standards.

PRP Quality Platform is a cloud-based toolbox facilitating quality assurance, regulatory compliance, framework mapping, policy and procedure mapping and reporting.

Institutional Mapping of All Regulatory Evidence

PRP Quality Platform works with the higher education sector to meet initial and ongoing conditions for registration.

This Evidence Table has been developed to support to HE institutions meet the Higher Education Standards (Threshold Standard) Framework (2021) and TEQSA requirements.

Institution administrators can upload and monitor all documents aligned to regulatory frameworks and conditions. They can **add case managers from TEQSA** to share document sets in a secure, online environment.

Available on: Premium Subscription only

Please Note: You can also add your regulatory case manager or external experts to review these folders for you.

The screenshot displays the PRP Quality system interface, showing a hierarchy of document folders. The main view is titled "Documents BETA" and shows the "TEQSA Higher Education Standards Framework" folder. Below it, a list of folders is shown, including "DOMAIN 1: Student Participation & Attainment: Evidence Folder", "DOMAIN 2: Learning Environment: Evidence Folder", "DOMAIN 3: Teaching: Evidence Folder", "DOMAIN 4: Research & Research Training: Evidence Folder", "DOMAIN 5: Institutional Quality Assurance: Evidence Folder", "DOMAIN 6: Governance & Accountability: Evidence Folder", and "DOMAIN 7: Representation, Information & Communications: Evidence Folder".

A modal dialog titled "Share document set" is open, showing a password field with the text "CsP:FS%YNVB8J{o65!77", a "Copy" button, and a "Share" toggle switch. The "Share" toggle is currently off. Below the toggle, there is a "Copy url" button and a "Save" button.

The interface also shows a list of folders under "DOMAIN 1: Student Participation & Attainment: Evidence Folder", including "Committee Papers", "Data & Evidence", "Forms, Templates, Letters", and "Online Systems". The "Forms, Templates, Letters" folder is highlighted, and its contents are shown in a separate view, including "Admissions", "Credit & Recognition of Prior Learning", and "Learning Outcomes & Assessment". The "Admissions" folder is also highlighted, and its contents are shown in a separate view, including "Academic Transcript", "Acceptance Letter", and "Admissions Application Form", all of which are marked as "Pending".
