

PRP Quality Platform

Compliance & Risk Monitoring Managed Service

Regulatory support through PRP Quality Online for stronger oversight and continuous readiness

WHY CHOOSE PRP QUALITY ONLINE MANAGED SERVICE?

PRP Quality Online Managed Service gives your institution ongoing compliance support without stretching internal teams. We manage core monitoring and assurance activity so your people can stay focused on strategic priorities.

With specialist higher education expertise, the service helps reduce administration, strengthen Board and Academic Board confidence, and keep you ahead of regulatory change and audit expectations.

1

Frees internal resources to make the institution more agile

2

Reduces admin workload

3

Specialist compliance expertise

4

Builds Board confidence

5

Ahead of regulatory change

CONTINUOUS READINESS & ASSURANCE

- Continuous regulatory readiness
- Avoid last-minute audit preparation
- Flexible monthly service agreements
- One partner for compliance, governance and assurance

As a single outsourced partner for compliance, governance, and assurance, PRP delivers coordinated advice, reporting, and practical follow-through. The result is clearer accountability, less duplication, and greater confidence for executive and Board oversight.

PRP Quality Online Managed Service helps institutions stay continuously prepared for regulatory review, audit activity, and evolving expectations. With ongoing monitoring and structured support, readiness becomes part of day-to-day operations rather than a last-minute project.

Flexible monthly service agreements allow support to scale with your priorities, budget, and compliance cycle. This gives internal teams greater agility while ensuring specialist oversight remains in place whenever it is needed.

INCLUDED SERVICES PART 1

- **Ongoing TEQSA standards compliance**

- **CRICOS monitoring and readiness support**

- **Risk registers, controls and monthly monitoring**

- **Policy review cycles and document control**

PRP Quality Online Managed Service delivers ongoing support to help institutions stay aligned with TEQSA requirements and maintain readiness for CRICOS reporting, monitoring, and review.

We strengthen day-to-day compliance operations through active risk register oversight, monthly monitoring, and disciplined policy review and document control processes.

INCLUDED SERVICES

Audit-ready evidence management

Board and Academic Board reporting packs

Professional accreditation support

Continuous improvement tracking

We maintain audit-ready evidence so key documents, records and supporting materials are current, accessible and aligned to regulatory expectations. Board and Academic Board reporting packs provide clear visibility of compliance status, risks and required actions.

The service also supports professional accreditation activities and continuous improvement tracking, helping institutions monitor commitments, close gaps and demonstrate progress confidently across each review and reporting cycle.

POWERED BY THE PRP QUALITY PLATFORM

Bring evidence, audit insight and live monitoring into one platform, giving teams clear visibility, faster action tracking and continuous compliance readiness.

Centralised evidence and compliance records

Live dashboards for real-time visibility

AI-supported audits and gap analysis

Action registers with clear ownership

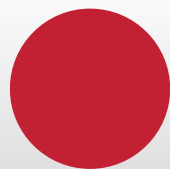

ALWAYS LIVE, ALWAYS AUDIT- READY

PRP Quality Platform delivers live validation workflows and clear governance visibility, helping institutions monitor actions, maintain oversight, and stay continuously ready for review, audit, and regulatory change.
